Providing an expert service to all drivers

Magna will support you following a road accident

Magna Accident Services Ltd is an established family run company based in Lincolnshire.

Our team of staff are experienced, knowledgeable and dedicated and we pride ourselves on customer service and attention to detail.

We take a transparent and ethical approach towards claims management and we progress claims in a proactive manner.

We understand that by keeping control of a claim and ensuring all losses are mitigated, both client and insurer can be confident that costs are kept to a minimum.

Magna has a unique position in the marketplace. We provide hire and repair services to all road users regardless of the type of vehicle they drive.

For those who rely on specialist mobility for personal use or work purposes, our replacement vehicle solution can be invaluable.

Have total confidence that we handle your claim responsibly and efficiently

magna

Whatever your vehicle requirements, we will get you back on the road fast

Replacement Vehicles

We offer a bespoke solution to the often complex and distressing process following a road accident.

Our credit hire service is available to all drivers. Whether you use a standard saloon or a large commercial tipper we provide the right assistance so that life and business can return as quickly as possible.

Built on strong family values, Magna's team delivers a service which is both personal and empathic. We recognise the potential impact to a business following a vehicle being off the road and treat each client with the urgency required.

Choose Magna following a non-fault accident and we will provide immediate care and expert attention.

If you believe we can assist then please get in touch.
